

Registration

Early construction

It is possible to start the construction of your trade fair booth on Thursday May 8th 2025 for a fee of 300.00 Euro per stand. This fee is used to cover the additional costs.

The invoice has to be paid before the start of the early construction, otherwise the organizer does not permit the construction!

I hereby request the early construction at the RO-KA-TECH 2025 in Kassel for a fee of 300.00 Euro (excl. VAT) per stand.
