Business conditions:

All prices are exclusive tax. We reserve the right, to deny our services until payment. Payment have to be made following receipt of the invoice.

Due to the current price fluctuations on the energy market it may be the case with deviating consumption costs there may be recalculations.

Different agreement must be in writing and have to be coordinated with Elektro Pröpper GmbH & Co. KG.

For companies using their own distribution, we would like to point the obligatory and mandatory use of residual current operated device. Power from neighbouring stand is disallowed and the consequence is power current cut.

The basis are the general terms and conditions of Elektro Pröpper GmbH & Co. KG. The place of performance and jurisdiction for all mutual obligation is Witten, Germany.

In case of short-term cancellation and no-fault cancellation (force majeure), after delivered performance (ring main unit and installation current connectors) there is no pay back possible.

The subscriber is authorised and obliged to pay the invoice..
